

Czech Open 2025 – Day 3

Rooney – Wilhelmi 8/11 8/11 11/6 11/4 4/11 (71 min)

Rooney:

Disappointed to lose today. I didn't start well and Yannick was punishing my loose crosscourts. I played well enough to come back in the 3rd and 4th but I left it too late in the fifth to come back from his lead. Time to go home and have a word with myself in the mirror.

Wilhelmi:

It was a good but tough match. I started off well and focused on my game and won the first two. After that Patrick did a good job and hit some good shots. I wanted some points too easy which was a mistake. I refocused in the fifth and tried to make it hard again. Just really happy with my performance.

Safy – Tyma 9/11 11/5 11/6 11/7 (30 min)

Safy:

Good win today against Kaina, she's a tough opponent and I'm proud of my performance. I was able to execute my game plan for the most part, but all credit to her she did not make it easy at all. Hope to keep this momentum going into the semi finals.

Tyma:

Great quality match against Jana today, she played very well today and made it very difficult for me out there. Time to enjoy Brno and take the positives for the next tournament. Good luck to her for the rest of the tournament!

Osborne-Wylde – Parker 11/5 11/9 11/9 (41 min)

Osborne-Wylde:

Enjoyed playing George on tour for the first time, overall a decent performance and looking forward to tomorrow.

Parker:

I had a great warm up today and I felt good on court, I'm moving the best I've moved in months and chopping it in well. Fair play to Sam, he was buzzing round like a mosquito. Good lessons learned and I'll come back strong for the next one. Bridges burn, tables turn live, and learn.

Zrazhevskaja – Megahed 12/10 11/9 8/11 8/11 11/6 (68 min)

Zrazhevskaja:

I am very happy with my performance today. Always a challenge to play a higher seeded player but had to let myself no fear and keep focus until the very last point. Grateful to be able to stay and compete in the semis tomorrow, looking forward to it.

Megahed:

I am not happy about the way I played today.

Farkas – Stewart 11/6 11/7 11/9 (37 min)

Farkas:

I think it was a really good match against Rory. We're both moving up in the ranking together from the beginning and I think he is a really talented and really nice guy on court too. I am really happy to win in 3 games. I was a little bit nervous before the match because Rory played a really good game against the home guy so I knew it would be a hard match. But I'm happy I'm through and ready for the next round.

Stewart:

Just disappointed in myself, hit that annoying wee red line 17 inches above the ground too many times. Good luck to Farkas in the rest of the event.

Romiglio – James 7/11 6/11 6/11 (51 min)

Romiglio:

Disappointed for losing but a good game of squash overall. Things to work on and moving forward, thanks to the organization for an amazing job.

James:

That was a good hard run out. I thought Leandro played really well and probably deserved more scoreline wise. It looked far more one sided than it actually was. I thought I played the second half of the games well and stayed tough but I'll need to improve my length and basics tomorrow.

Midorikawa – Wong 9/11 3/11 11/6 6/11 (34 min)

Midorikawa:

I'm really disappointed that I couldn't get my revenge and lost today, but I think I played a good match. I'd like to take part in this tournament again next year.

Wong:

There are many long rallies today, Akari is a fast and tough player, she never gives up on the rallies easily. This was the second time I played her this year, I feel like I am doing better this time. There are few unforced errors as well, I'll have to work on that more tomorrow. Can't wait for tomorrow!

Sugimoto – Ward 5/11 11/9 5/11 2/11 (27 min)

Sugimoto:

Since I had byes in the first and second rounds, my first match of the tournament was against the top seed, which made it a very challenging start.

At first, I struggled to adjust to her pace, but in the second game I was able to play more to my strengths and managed to take it.

After that, however, I was overwhelmed by her strong performance.

Although it wasn't a match I can be fully satisfied with, I'll take this experience as a lesson and work to improve my game moving forward.

I would like to express my gratitude to all the staff members for their great support and for making this a pleasant tournament stay.

Thank you very much.

Ward:

I am happy to have come through with the win today. I tried to regain my length and lines after the second game and managed to win the next two games to come away with a 3-1 win. It was great to be on court competing and really enjoyed having my dad here for support.
