

Czech Open 2025 – Semifinals

Safy – Zrazhevskaya 11/7 7/11 13/11 6/11 11/4 (43 min)

Safy:

I'm just relieved to be through to the final tomorrow. It was a tough one today, but I'm glad I pulled through in the end.

Zrazhevskaya:

Was a close one today but not enough at the end. We lose we learn, overall it was a good week for me here and more to come.

Wong – Ward 12/14 7/11 6/11 (25 min)

Wong:

Grateful to get into the semifinals in this tournament. I was fighting hard in the first game, and coming up with a good pace in the second, but got lost in a few errors and started to think too much about it. There is definitely more to work on the finishing shots. More to come. Looking forward to my performance next week in France!

Ward:

Happy to make it through to the finals here in Brno. Really happy with how I played and came back in the second game when I was down. I am really excited to play tomorrow and look forward to a great match.

Wilhelmi – Osborne-Wylde 11/7 11/7 11/7 (52 min)

Wilhelmi:

Good and fair match today. Happy with my performance overall from beginning to the end. Sam played well and I knew I had to stay focused and keep hitting good balls to win this. Looking forward to tomorrow.

Osborne-Wylde:

Someone tell Yannick he is allowed to hit a tin, good performance from him. Lots to improve in my own game but I enjoyed a very well run tournament.

Farkas – James 11/9 7/11 13/15 12/10 4/11 (87 min)

Farkas:

I really enjoyed the match today with Declan. I saw a live score when we finished the 4th game. It was 72 minutes and I think it was a really good battle. Unfortunately when it was 5-4 in the 5th I twisted my ankle and I was not able to continue but I'm happy that I went back on court and played a few shots but Declan deserved it. He played well and I think tomorrow everybody who is coming here will watch a really good final. For me it's time to go home, get treatment and get ready for the next tournament.

James:

Tough battle again there for four games. Complete accident in the 5th when he caught my foot and unfortunately rolled his ankle. Just wishing him a quick recovery now for the next event hopefully he doesn't miss anything. Will need to improve my basics tomorrow but it's all in for the final.
