

Czech Open 2025 – Finals

Safy – Ward 6/11 11/9 11/5 (30 min)

Safy:

So happy with how the week went. Glad I was able to finally win my first PSA title, hopefully a lot more to come soon!

Ward:

Unfortunately today was not my day, gave it my all in the match and fought till the end. Jana played really well today and well done to her on winning the tournament here in Brno.

Wilhelmi – James 11/3 7/11 6/11 11/6 11/8 (85 min)

Wilhelmi:

Really happy tonight. It was a hard battle with James, he played well. I needed to push a lot and I am happy that I could find an answer in the end and win this title. It's an amazing feeling. Big thanks to the whole crew who organized such a great tournament and who looked so well after us.

James:

Good hard battle today. Didn't quite have enough right at the end which is a shame. But credit to Yannick for hanging in there. Good to get some hard matches this week and will take this into the rest of the season.
