Czech Open 2026 – Day 3, Quarter-Finals

Photos by Irena Vanisova

Lobban 3-0 Farkas 13/11, 11/6, 11/3 (42 min)

Lobban: Always tricky playing vs farkas, he's one of the most skillful players on tour and one of the players I really enjoy to watch. I was nervous at the start and he took advantage but I'm really happy to finish strongly.

Farkas: In the first game I started well but after I lost the focus a little bit and lost the first game which was really important. After Greg put me under pressure and built the rallies well so I have less chance to attack. It was a very phisical game and and happy with my performance but it was not enough. Next time.

Bautista 3-2 Ter Sluis 5/11, 11/5, 9/11, 11/4, 8/11 (36 min)

Ter Sluis: Wow, so happy with my performance today. winning in 5 against the No.2 seed. I feel like I could stick to my game plan overall, but kinda let it go in some games. however proud of my battle. It was an enjoyable match against Lucia. Looking forward to my semi final tomorrow. time to book a new flight now.

Romiglio 0-3 Mekhalfi 4/11, 5/11, 8/11 (38 min)

Romiglio: I feel sorry for the people who watch the match, nightmare. Onto the next opportunity.

Mekhalfi: I'm happy to have won 3–0 today; I managed to maintain my concentration and my tactics from start to finish. Now, I'll need to give it my all against Greg Lobban tomorrow to secure a spot in the final.

Šrámková 0-3 Walid 4/11, 10/12, 8/11 (29 min)

Šrámková: Definetly wanted to perform better today, disappointed with the loss. All credits to Menna, she played really well today and deserved the win.

Walid: I played against Karolina today and I got the win 3/0. I really enjoyed myself and my game. I think last time I played with her I won 3/1 so yeah I am glad I managed myself today and won 3/1.

Senthilkumar 3-0 Azana 11/3, 11/8, 11/7 (33 min)

Senthilkumar: Won 3-0 today, Jeremias was a good opponent to play against, does not give any easy points away, so had to be disciplined throughout to get the win and I am happy I could win in 3 games.

Azana: The match was truly challenging from a strategic standpoint, as Velavan played very solidly this time. I knew it would be tough; I tried to put him under pressure at times, but I didn't always make the best decisions. Credit goes to him for playing such a solid game of squash.
I'm happy with my tournament, how I played, and the level I'm reaching—it serves as great motivation for upcoming events.
I'd like to thank the organizers for all their help, and I hope to return next year.
Thank you.

Malik P. 0-3 Dussourd 11/13, 7/11, 2/11 (38 min)

Malik P.: All credit to auguste, but didnt find my range today. close first and had a chance mid part of 2nd. Reset now for next event in the US. ,

Dussourd: Happy to win this quarterfinal 3-0. It was the first time I was playing Perry so you never know what to expect when you haven't played the player yet. So I watch him of course in video to see his game and stuff so I know he’s a solid player like he’s really tied to the wall. He’s good technique like all the family. Glad to win in three and like that I keep some energy for the semi-finals tomorrow.

Marshall 3-1 Lash 11/9, 8/11, 11/7, 11/9 (42 min)

Marshall: I was really happy to get through today, I have been having a two match curse recently at tournaments. Ella did not make it easy for me at all, but I played to my strengths as much as I could. She has improved so much in such a small space of time but I was happy to see improvement in areas I've been working on with my coach Andrew Shoukry.

Lash: Kiera is a tough opponent and I knew I would have to be on form today but unfortunately I couldn't execute my gameplan and ultimately Keira took advantage of that and got out on top. It sucks losing to friends but I'm glad we were able to play out there together.

Roberts 1-3 Mead 7/11, 9/11, 11/5, 10/12 (38 min)

Roberts: I played OK. Alicia played well and is a tough opponent, I started really slow and made some errors so I didnt feel my best today, but happy to visit Brno!

Mead: Lowri is playing with a lot of confidence at the moment and is getting some good results so it's a match I had to be really ready for from the start. I was happy to get a good start and hit some good straight attacks. She hits a heavy line which forced me to hit some loose balls so I'll need to be sharper with my movement tomorrow. Overall really happy to make a semi final here!
