Czech Open 2026 – Semifinals

Ter Sluis 1-3 Walid 8/11, 11/7, 4/11, 7/11 (29 min)

Ter Sluis: Little bit disappointed with my game today. Couldn't really find my length, because of that she put me under a lot of pressure. Kept trying and sometimes it worked out better. Overall proud of my squash this week. Also enjoyed being back in Brno. Thank you!

Walid: It wasn't my best performance today but at the end what matters the most is how to find a solution to win. So hopefully I can do better tomorrow in the finals.

Marshall 1-3 Mead 8/11, 11/6, 11/9, 5/11 (48 min)

Marshall: Super frustrating match for me today, on one hand this is the closest match we have ever played, but also super annoying not to capitilise on the 2-1 lead. I felt my quality to the back completely fell apart in the last 2 games, I then couldn't impose my tactics that were working well at the beginning. Credits to Alicia for finding a way and fighting back, but a step in the right direction and clear areas to work on in the latter stages of the match.

Mead: Kiera played really well today. We train together fairly regularly so know each others games pretty well by now. I struggled to impose my own game in the middle patch of the game which forced errors and a lack of clarity tactic wise. After the third I just tried to focus on one or two basic instructions and felt it really helped me to compose myself. Looking forward to a final tomorrow!

Lobban 3-0 Mekhalfi 11/9, 11/5, 11/4 (52 min)

Lobban: I thought I played well today, Toufik is a tough opponent and I thought I contained him quite well. It's been a while since ve been in a final so I'm looking forward to the experience tomorrow.

Mekhalfi: Greg was better today, after a big first game where I was in a good position his experience talks. I wasn't able to stick to my game plan against Greg, who played well by leveraging his strengths.

Senthilkumar 3-0 Dussourd 11/7, 12/10, 11/1 (53 min)

Senthilkumar: Today's match was really good, I had to lock in mentally throughout and auguste is a really tricky opponent to play against. I am happy I could come out on top in three games.
